

List of big active companies in Belgrade, Serbia

A project named List of big active companies in Belgrade, Serbia, was made for a Serbia-based company, specialised in real estate consultancy.

The delivered list included all active companies with number of employees between 10 and 80, with positive net result for 2014 and positive working capital, and with headquarters in Belgrade.

We made this task in 5 working days, in excel format, sent by e-mail. Except the required data we added ID number of company, year of establishment, main activity and detailed contacts.
